## EDUCATION TOPICS ...

- **Cleanroom and Microbial Contamination Control Tactics for the regulated Cannabis industry.** – Jason Hadley, FILTR/Lighthouse Worldwide Solutions
  - Jason will leave you with a better understanding of the microbe compliance problems pervasive within the regulated Cannabis industry, and how they must adopt and deploy cleanroom and other cGMP microbial contamination control tactics for long-term success.
  
- **Cyber Crime, Part II**– Derek Hedrick, Ameritech
  - Derek will present the second part of the series on Cyber Crime and its effect on Businesses. He will share the current state of Cyber Crime and explore ways that Firms can protect themselves from the overwhelming threats that people encounter every day.
  
- **How to Set up a DATA Center Correctly**– Jim Ralston, Southland Industries
  - Jim will provide you with preliminary TAB requirements, Airside and Waterside TAB methodologies, techniques and measurements to correctly set up a DATA Center.
  
- **Technical Conversations with NEBB Technical Director**, Jeffrey Schools
  - Jeff will give a refresher on Instrument requirements, talk about safety as it pertains to NEBB firms and update everyone on the current events and projects that he has been working on since starting with NEBB in November. The floor will then be open to Q&A.

## **SPEAKER BIOS ...**

- **DEREK HEDRICK** is the Chief Technology Officer/President of Ameritech Computer Consultants, Inc. Derek was introduced to the TAB Industry and has spent the last 20 years developing TABopts, Project Management, TAB Reporting software along with providing complete IT Support Services.
- **JASON HADLEY**, is a Sales Engineer with FILTR/Lighthouse Worldwide Solutions and is adept at leveraging his previous Sales and commercial Cannabis industry experience to bridge the information gap regulated Cannabis cultivators desperately need to pass their respective microbe compliance requirements. Jason is passionate about increasing a client's knowledge base so that commercial Cannabis businesses can not only thrive, but ultimately scale and expand their operations.
- **JEFF SCHOOLS** is the NEBB Technical Director. He is a Certified Professional in TAB and Commissioning and has 37 years' experience in the industry.
- **JIM RALSTON** with Southland Industries has over 35 years of testing & balancing experience in addition to 9 years of instructing for Local 100 Sheet Metal Workers. He has performed and managed TAB on projects from retail, office bldgs., hospitals, labs, clean rooms, central utility plants and DATA centers.

## **LAPTOPS AND TABLETS ...**

Laptops and/or tablets will not be permitted into the seminar room. Thank you in advance for your understanding.

## **LODGING ...**

You are responsible for making your own reservations. Capital-MarVa does have a limited room block at the Crowne Plaza Annapolis under the booking code **CMB** for a \$99.00 standard room rate. This rate is only available by calling the Crowne Plaza directly at 410-266-3131 (website reservations will not recognize this code).
